Tanja Liedtke's *To My Suite* to be performed by Sydney Dance Company's pre-professional year.

On 13 October 2014 the students from the Sydney Dance Company's pre-professional year will perform Tanja Liedtke's *To My Suite* (premiered in 1999) as

part of their graduation performance.

Craig Bary and Kristina Chan, the original 1999 cast have re-staged this delightful duet, which was originally choreographed by Tanja as part of the Australian Dance Theatre's Ignition Series in Adelaide.

It is significant that Tanja's work is being re-staged by the company that appointed her as their Director in 2007.
