Lloyd Newson: Connecting Meaning to Movement

[Lloyd Newson](#) [Founder, Director and Choreographer of DV8 Physical Theatre] is running a workshop as part of ImPulsTanz (Vienna) for dancers who are interested in choreography and learning about how to connect meaning to movement. The workshop will specifically look at how to use verbatim text in this process. The workshop will be conducted in English and occur between Monday, 5th August - 9th of August (inclusive).

Participants will be required to make work (choreograph) and act as performers for other attendees (when required), during the course. The Field Project is not for the feint-hearted or neurotic. Newson is looking for resilient, courageous, hard-working, intelligent, generous and open-minded participants. The deadline for applications is 31st May. Further details can be found [here](#) and on the [application platform](#).
